

Managing Your Care at Your Fingertips

Connect Rx by Otsuka was developed to support patients who have been prescribed JYNARQUE® (tolvaptan) and are enrolled in the Otsuka REMS Program.

Key App Features:

Calendar tracks and sends reminders for important events, such as upcoming appointments

Digital Pill Case allows you to add and review your medications, and report taken/missed doses

Resources provides you with access to relevant educational materials and useful information

Messaging enables you to securely message your doctor or provider **only** if they choose to turn this feature on

REMS=Risk Evaluation and Mitigation Strategy.
