

# Can't make it to a lab? We'll come to you

If you can't make it to a lab for your required labwork, follow the instructions below and we will come to you. In order to participate, your doctor must be enrolled in the Otsuka Laboratory Support Program. Your doctor will also provide you with your required LabCorp or Quest Diagnostics™ Program Requisition Form.

## **Call ExamOne® at 1-888-302-7652, Monday-Friday between 7AM and 5 PM PT.**

- Schedule your appointment 2 to 4 weeks in advance
- Let them know that you are calling about your **Otsuka blood draw**
- Have your Laboratory Support Program Requisition Form on hand when you call

## **When mobile team arrives, you must have your:**

- **Laboratory Support Program Requisition Form** from your doctor's office completely filled out and signed
- **Specimen Kit** you will receive in the mail after scheduling your appointment

## **The mobile team will only collect specimens for the 4 tests required by the JYNARQUE® (tolvaptan) Risk Evaluation and Mitigation Strategy (REMS) Program.**

**To avoid lab testing delays or failure, please confirm with your doctor that the Laboratory Support Program Requisition Form only includes the following 4 tests:**

- Phosphatase, alkaline
- Bilirubin, total
- Transferase, alanine amino (ALT) (SGPT)
- Transferase, aspartate amino (AST) (SGOT)

Please read [FULL PRESCRIBING INFORMATION](#), including **BOXED WARNING**, and [MEDICATION GUIDE](#).

This mobile lab support card is valid from March 2020 through June 2020.
